

# JourneyLifeChurch

Bringing people one step closer to Christ,  
by loving God, loving people and loving life.

## invest and invite

- » Sometimes you're given the perfect opportunity to invite someone to church. Other times, you need time to invest in a life, find common ground and cultivate a relationship before you extend that invitation. Do whatever it takes to "open the door" for others!

## read the word

- » Keep the conversation with Jesus going and growing. Make it a two-way street. Read your Bible and take time to listen, as well as ask. Regularly study God's teachings. Want to know how to... relate to your spouse? succeed at your job? forgive a hurt? It's all in there!

## live a life of worship

- » Worship is not just music or the songs we sing; it's an everyday lifestyle. Devote your time and attention to Christ by showing Him honor, whether by listening to a worship song in the midst of gridlock or curling up on the couch with your favorite Christian book... that is worship!

## make an impact

- » Help someone, make a difference, volunteer, touch a life... it's that simple. Serve on the tech team, clean a toilet, help in the nursery, make coffee or become a mentor – you choose. You'll be surprised at how rewarding it is to impact another life. Make *servicing others* a habit!

## share a life with others

- » Have a friend; be a friend. Cultivate friendships that define "meaningful." Develop relationships with people who will encourage you to become the person God meant for you to be. Share life by grabbing a latte with a friend, dating your mate or joining a Life Group!

## empower the next generation

- » Help families raise up a passionate, emerging generation of Christ followers. Teach young people not only to understand Biblical truths, but how to live them out in their everyday lives!

## create an unforgettable weekend experience

- » Rather than run from culture, we creatively strive to produce a life-changing environment through dynamic worship and relevant teaching. Be a smile at the door, serve a great cup of Joe or create a kid-friendly environment that is out of this world. Make the experience unforgettable from start to finish... where "wow" is an understatement!
